Are you and your congregation
looking for a meaningful way to mark
Yom HaZikaron & Yom HaAtzmaut
this year given the new reality?

Yom HaAtzmaut Twinning Zoom Celebration

Twin Your Kehilla with an Israeli Rav and Kehilla for Yom HaAtzmaut!

The RCA, in partnership with Barkai, will match you with a Rav and Kehilla in Israel

An opportunity to create a relationship with an Israeli kehilla.

You and your Israeli Rav partner will create your own Zoom celebration

The Israeli Rav will enlist his congregants to speak of: what Israel means to them, their army experience, life in Israel.

The RCA Rav can have his congregants share their feelings and experiences of Israel

This is an opportunity for an interactive meeting and the creation of a relationship that has the potential to outlive the Corona virus and lead to new connections for you and your synagogue.
